

REACT DEVELOPER (F/M/X)

Salzburg
Full time

Amrax®, the technology platform behind Metaroom was founded in April 2020 with the goal of exploring new digital ways to digitize and design spaces. It uses forward-thinking 3D technology to reimagine space planning and interior design. Amrax® offers solutions that are fast, inspiring and user-friendly. Interdisciplinary collaboration in the fields of computer vision, deep learning and virtual reality enable these groundbreaking innovations. The team consists of 25 visionaries, AI and computer vision experts, software developers and marketing experts working on the creation and marketing of the product. Headquartered in Salzburg, Austria, Amrax® also operates in Vienna.

RESPONSIBILITIES

- Crafting of high-quality codebases with HTML, CSS, JavaScript and front-end frameworks like, ReactJS.
- Collaborating with UX/UI Team to design and implement intuitive user interfaces.
